ANONYMOUS Tipline: 1-800-THE-LOST

If you see him, take a photo & send to: **408-781-8433**

Jackson left home 5 years ago feeling anxious, depressed & very confused from insomnia & an attempt to stop taking his prescription medications. Four people on the same street in San Francisco reported seeing him 4 days later. He was alive but not well! We have not heard from him since but we have gotten many credible leads and our search is still active. Thanks for your help!
